

# Cancellation Policy

Before purchasing a retreat, it is your responsibility to thoroughly read and understand this cancellation policy.

## **Canceled due to # of participants:**

We require a minimum of 6 registrations to conduct a retreat. If this number is not reached 45 days before the start of the retreat, it will be subject to cancellation. Should this occur, we will personally notify each registered participant to discuss the cancellation. During this call, participants will have the option to receive a full refund of all deposits and any additional payments made, or they can choose to apply their payment toward a future in-person retreat. All decisions will be finalized during this discussion.

## **If you cancel your registration:**

- Should you cancel your registration 90 days or more before the retreat begins, you have the option to apply the full amount of your current payment(s) as a credit towards another retreat within the next 12 months. Alternatively, if you prefer a refund, the total amount paid will be reimbursed, excluding the initial deposit.
- For cancellations made 45 to 89 days before the retreat starts, you will receive a credit worth 50% of any payments made beyond the initial deposit. This credit can be applied toward another retreat within the next 12 months. The initial deposit and the remaining 50% of any additional payments are non-refundable and will be forfeited.
- Cancellations made fewer than 45 days before the start of the retreat unfortunately cannot be refunded or credited due to the preparations and commitments involved. We empathize deeply with personal circumstances that might necessitate such a late cancellation and strongly recommend purchasing travel insurance to protect your investment. However, we do offer the option for you to transfer your registration to another participant should you find yourself unable to attend.
